LETTER ACCOMPANYING PAYMENT OF THE ISSUE FEE

Mail Stop Issue Fee
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On February 16, 2005, applicants filed a Request After Allowance for Examiner to Initial References on Form PTO/SB/08A. On April 11, 2005, after a couple of prior attempts by voicemail to reach the examiner, an assistant to the undersigned spoke with Examiner Cross, who stated that the Form PTO/SB/08A would be initialed and furnished to the undersigned by the end of the day. Not having received the initialed form, the undersigned's assistant attempted on several further occasions to contact the examiner. On April 25, 2005, the undersigned's assistant spoke with Examiner Cross who stated that she might have some concern about one of the references, would discuss the reference with her supervisor, and would either initial the form or withdraw the application from issue.

Today is the deadline for payment of the issue fee. Having received no correspondence from the examiner despite further attempts to reach her, and having placed a call today to the examiner's supervisor without success, applicants must pay the issue fee without knowing of the outcome of the examiner's consideration of the references. However, applicants have discharged their duty of disclosure inasmuch as the references were submitted to and have been received by the Office. In the event that the examiner decides not to withdraw the application from issue, the examiner is requested to return an initialed Form PTO/SB/08A for the record, and to ensure that the references are included in the "Cited References" section of the patent. In the event that the examiner decides to withdraw the application from issue, the examiner is requested to refund applicant's payment of the issue fee.

The examiner is invited to telephone the undersigned at (952) 253-4135 should she have any questions on this matter.

Respectfully submitted,
